Raffle Details:

Ten Numbered balls will be pulled one at a time, the tenth ball will be called the Magic 10 Ball and eligible to return to the game. The first 9 balls are considered "out". Numbers are eliminated one by one as the Raffle progresses. As long as we have at least 17 balls in the raffle we will draw for the Magic 10 Ball. If we have 10-16 Balls in the raffle we will draw 5 balls out with the 5th ball winning 3x ticket price, no re-entry into raffle. After that point the remaining Players present at the game will then be called to the front of the room. Each remaining player will have the option to split the Grand prize equally or continue in the Raffle. To split Grand prize all remaining players must be in agreement. If all do not agree, Raffle continues until there is agreement among remaining players to split the Grand prize or until there is one Winner. Raffle ticket holders must be present to vote in the game. If No Ticket Holder is present then the Grand Prize will be split among the remaining balls in play. Substitute players are not eligible to vote on someone else's ball. Only one vote per ball and ball owner must be present to Vote. Players must be 18 years old or older to play.

A few other things to note:

1. The very First Raffle number pulled receives \$50 and the number is returned to the drum.
2. Every 10th number "Magic 10 Ball" pulled has the option to:
 - a) Return the number to the Raffle pool and continue
 - b) Receive \$100 and retire his number
