Serving Westwood and Hillsdale

The Annual Golf Outing of the St. Thomas More Council 2188 will be held on Monday, June 13, 2012 at the River Vale Country Club. The event is to raise money for our Scholarship, Charity Funds, and the Columbian Club of Westwood to continue pursuing our charitable contributions to the communities we serve.

*We are seeking your support as a first-time or as a repeat hole sponsor or donor for this event. If you can assist us in this endeavor, it will be greatly appreciated. Your information will be placed in our newsletter, **The Chancellor**, and it will be featured in the program used at our luncheon following the event and if you request, a sign displaying your support will be placed at a hole of your choosing. This provides three times the exposure for your donation of **\$100.00, \$200.00, or any amount above the minimum**. Please complete the attached form and return it to the representative or mail it to the above address.*

In this economy we realize that any form of financial relief making an education easier to achieve can be difficult. Your contribution will make someone's dream of a college education a reality.

We thank you in advance for your generosity.

Yours truly,
