## Wisconsin Becoming Battle Ready!

If you're looking to go deeper and grow stronger in your Faith, to know more about your purpose and call to action as a Christian, or if you're struggling to connect with your spouse, friend or loved one about the Faith, then you need to experience the BATTLE READY Rally!

A BATTLE READY Rally is a 90 minute talk on what spiritual battle actually looks like, how to identify it and prepare for it, and how to engage in it. These three components are key for those of us who are here on earth as the Church Militant.

Doug Barry, Catholic speaker and founder of RADIX and BATTLE READY ministry, draws from Scripture, the Catechism of the Catholic Church, Christ's own words and the words of our saints and popes to emphasize the reality of the spiritual fight that we are engaged in. Doug also points out the resources we must take advantage of on a regular basis such as prayer and Sacraments, and scripture. "There is emphasis on mental and physical care for ourselves, as well, so we can be ready at a moment's notice to fulfill our responsibilities not only to ourselves but to those who are entrusted to our care," says Doug.

Doug Barry is known to be matter of fact, straightforward, and dynamic. His passion and enthusiasm are not only encouraging, it's contagious. As a Catholic speaker, Doug has traveled both nationally and internationally since 1991 as the founder and director of RADIX. In early 2011, the term BATTLE READY came into play as an initiative of RADIX, and shortly after this, the BATTLE READY Rally was born. "Parishes across the country have since requested this Rally for their parishioners and the feedback has been incredible. Ninety percent of the time, half to two thirds of the audience will take advantage of the Sacrament of Confession when it's made available after a BATTLE READY Rally.

"Husbands, wives, young adults and children call, write, and tell Doug in person how their lives have been changed because of the BATTLE READY Rally. Perhaps one of the most encouraging and powerful changes is men and women admitting that, after this rally, they felt equipped with the knowledge and know-how they needed to become the men and women God made them to be. The show BATTLE READY now airing on EWTN is based on the Rally and Doug is seen as the host on BATTLE READY television show. Previously, he was also seen as the co-host for EWTN's 'Life on the Rock.'

Doug Barry is bringing his proven and powerful BATTLE READY Rallies to Wisconsin from February 24 to March 2, including two stops in the Madison Diocese. The first Rally will be Saturday February 24 from 9 am to 3 pm where I will be joining Doug as a speaker at St. Cecilia in Wisconsin Dells. Doug will then speak across all five Wisconsin dioceses from Monday through Friday February 26 - March 2 at the following parishes sponsored by the Wisconsin State Council Knights of Columbus. For the last BATTLE READY Rally, Doug will join me again at my parish, St. Mary of Pine Bluff.

Sat. Feb. 24 - St. Cecilia, Wisconsin Dells, 9 am  
Mon. Feb 26 - St. James the Less, La Crosse, 6:30 pm  
Tue. Feb 27 - St. Paul's, Plainfield, 6:30 pm  
Wed. Feb 28 - St. Monica's, Whitefish Bay, 7 pm  
Thu. Mar 1 - St. Joseph's, Rice Lake, 7 pm  
Fri. Mar 2 - St. Mary's, Pine Bluff, 6 pm

So, whether you are simply looking to go deeper and grow stronger in our Catholic Faith, or you are fighting to connect with a spouse, family member, or colleague on Faith and morals, then you need to experience the BATTLE READY Rally. It's about a battle that each and every one of us is in, and it's the most important battle of our lives. Your soul and the souls of the people in your care are counting on it!

## **“Heading for the Home Stretch!”**

Great finish to January, Brothers! We climbed 20 places in the standings, moving all the way up to number 32, and the second half has just begun!

February is coming on strong, setting us up for a great finish as we enter the last third of the Fraternal Year. Two councils have already achieved McGivney and Founders levels, Marathon Council 16280 and U.W. Catholic Center Council 6568. I am sure there will be more to report soon. And we have one district, District 46 under DD Paul Quigley, with every council active. Several more are on the verge!

## **“Teamwork Makes the Dreamwork!”**

I have two success stories to share with you. One involves the development of our newest council, Council 16937 in Athens, WI. Brother Knights from three councils spanning two districts worked together to achieve a beautiful success. There were numerous scheduling setbacks, an unexpected prolongation of a serious illness of the District Deputy, some not insignificant car trouble, a snowstorm, and a myriad of other miscommunications, as well as some scoffing at the idea of establishing a council in such a small, out of the way, rural community. But through it all the TEAM carried on. The result so far? An initial admission degree at which 23 new Knights were exemplified!

The second story comes from District 43. District Deputy 43 Marshall Frey just led the completion of the first stage of a membership drive in two parishes this weekend. Members of two councils in his district, along with members of two councils of District 47, teamed up to enjoy great success! There are already plans being made for a repeat performance at another parish!

Teamwork really does make the dreamwork! What are your success stories?

## **“District Deputies – Leave a Lasting Legacy”**

District Deputies, are you having trouble getting a team off the ground? Please do not lose heart. Schedule a Church Drive. Reach out to all of your councils for workers. When they ask which Mass, the answer is all that you can! Involve your Diocesan Membership Coordinators – they are there to help. Invite neighboring DDs to bring members to participate. Let them know you are willing to return the favor. If you haven’t already recruited your District Warden (the Brother in your district who will devote 2 to 3 hours every week to membership) you may well find him among those who choose to participate.

Do all you can to build a membership team in your district and in your area, working with other District Deputies. You may not personally see the fruits, but the seeds you plant and water with your sweat will bear fruit in due season. It is truly amazing how richly God rewards us when we are willing to lurch faithfully from failure to failure with no lack of enthusiasm! In the words of Winston Churchill, “Success is not final, failure is not fatal: it is the courage to continue that counts.”

Help build your successful team and leave a lasting legacy.

# State Disaster Relief Program

The State Disaster Relief Program team is at the threshold of rolling out the State K of C Disaster Relief Program (DRP) Our anticipated date of delivery for this important initiative is by the end of April (When the gradients change, and storms start to roll over our state). We are currently on target for that date.

We are presently scheduling meetings with two to three councils per week throughout the entire state with an aggressive agenda and high expectations that our team can map our emergency resources from council-to-council before the end of April, (Weather Permitting). Listed below this message is the initial list of next week's council visits.

It is vital that each council DRP volunteer group is on board with training, meta-data programming, reporting/usage and the program requirements at each council before the end of April. It's an all-out blitz for our team of eight, and we are slated to begin this activity on Feb 19.

Paul Shepherd and I will be visiting most of the Madison area councils together - shortly. We are asking that all District Deputies send this message to all of their respective councils as soon as possible. The reason for the council-level meetings is to review our roadmap, logistics guide, disaster on-site accountabilities, financial guide, program guidelines and council level SOPs in addition to the other essential initiatives mentioned earlier in this message.

Our DRP team will set appointments with Grand Knights to inform them of our intent to visit their respective councils as we calendar the times and dates which should give them plenty of notice before their monthly council meetings.

Additionally, we encourage any of our DDs and state representatives to join our DRP team meetings to learn more about the program and to remain engaged with our results and progress. We are looking for this plan to become a path for significant membership (excellent path for the younger and we definitely welcome the seasoned), and we will be sharing that message with each council as well.

*The next group of DRP team meetings are:*

- *February 26, 2018, at 6:30 PM*
- *Monday, March 5, 2018, at 6:30 PM*  
*Thursday, March 15, 2018, 7:00 PM*

*Location is the Round Table in Sun Prairie, WI.*

## What You Need to Know about Online Membership

### Background

At its meeting in April 2017, the Board of Directors, pursuant to Section 4 of the Charter of the Knights of Columbus, and Sections 9 and 37 of the Constitution and Laws, voted to allow men to be initiated into the Knights of Columbus by completing an online application and ceremonial. These men would then be Associate Members under the jurisdiction of the State Council of the state in which they reside.

At its meeting in June 2017, the Board of Directors, pursuant to Section 4 of the Charter of the Knights of Columbus, and Sections 9 and 37 of the Constitution and Laws, voted to establish an online ceremonial by which candidates for membership are initiated into the Order as Associate Members, without having to take the First Degree. The Board further voted to establish a state division under the jurisdiction of each state council of the Knights of Columbus. These divisions shall be composed of members who are initiated into the Order

as Associate Members through the online ceremonial and who reside within each respective state council's jurisdiction.

The online membership initiative required two relatively minor changes to the Laws of the Knights of Columbus, which were accomplished by means of resolutions passed by the Board of Directors at its meeting in July 2017, and submitted to the Supreme Council. On August 3, 2017, the Supreme Council adopted the two resolutions: (1) Resolution 349, amending Section 120, permitting men who have entered the Order through the online initiation to purchase insurance, even though they have not taken the First Degree; and (2) Resolution 350, amending Section 240, authorizing the Supreme Secretary to issue membership cards to men who have entered the Order through the online initiation.

By virtue of the actions set forth above, every state

*(Continued on page 7)*

(Continued from page 6) - Online Membership

council is now authorized to accept members through the online membership initiative, with no need to amend the state council by-laws. The Supreme Council office will administer the state divisions, including the collection of dues and the issuance of membership cards.

The online membership initiative is currently being piloted in a number of jurisdictions.

**Rights and Privileges**

Men who join the Order through the online membership initiative do not form a new class or type of member. Therefore, as members of the Knights of Columbus they are entitled to the rights and privileges of membership, which include:

- right to attend local, state, and Supreme Council events

- eligibility to attend local council meetings as nonvoting participants
- right to receive fraternal benefits
- eligibility to purchase Knights of Columbus financial products and services

receipt of *Columbia* magazine and other Supreme Council publications

**Attendance at Meetings**

Men who join the Order online are permitted to attend local council business meetings, but may not vote unless they become members of that council. The *Guidelines for Conducting a Council Meeting* will be amended after the online membership pilot has concluded. In the interim, all states currently in the online membership pilot can waive the part of the *Guidelines* that reads “in the first section.”

## Programs

Brothers,

Hope you're doing well with your New Year's resolutions that I suggested in last month's column!

The State Knowledge and Free Throw Contest have been finalized for Saturday,

March 24 at Assumption High School in Wisconsin Rapids (445 Chestnut St.). Registration and practice for Free Throw will be 10 - 11:25 AM; competition starts at 11:30 AM. Math and Spelling registration will be 10:45 -11:45 AM with competition starting at Noon.

Remember that all contestants must have competed and placed at a Diocesan competition and cannot go from Council/District level directly to State. Free Throw competitors also need to bring their own practice balls.

I was most concerned last month when I analyzed the progress of our Councils in membership and new Insurance member recruiting that less than 10% of them are on target (50% or more of goal) to reach Star Council! We can do so much better than that. So, get your Church Drives, Open Houses, Father Wants You and other recruiting efforts going soon. Work with your General Agents and Field Agents.

I also saw far too many Councils remiss in their obligations to have their 185s, 365s, and Audits in (on-time or otherwise). I'll be sending out updates soon including the Fraternal Survey as well. Please check now to be sure those were sent in. Also, be sure that Special Olympics Participation form is in as we get thousands of dollars back annually from Supreme for Special Olympics for those forms that are sent in - everyone counts!

I'm looking forward to seeing your History Books (due February 1) and Service Program Award applications (due March 1) as we do the State judging in March. Also, looking forward to seeing you at the State Bowling Tournament in Stevens Point/Plover.

Finally, this year we plan to do a thorough evaluation and analysis of all our KC programming in Wisconsin in all areas. If you have any suggestions for that, in general or on specific programs or would like to be a part of that, let me know. That includes youth and every other program as well as awards.

Hope you have a great February - spring will be here soon. Vivat Jesus! Vivat Cristo Rey!

Fraternally,  
Bill Frayer  
State Program Director

As of 5 Feb, we have two locations in Green Bay Diocese, three in La Crosse Diocese, four in Madison Diocese, one in Milwaukee Archdiocese and one in Superior.

**Wisconsin K of C State Charity Raffle** If your council has given money or held a benefit to raise funds for a person or family in need recently, you should consider filling out a **Charity Request Form** which you can find on the state web site. Interview the person, fill out the form yourself as you ask the questions (don't allow them to fill it out), have the Grand Knight sign it, and send it into the state office. It is common to ask for \$1000 to \$3000.

Thank you again for running the State Charity Raffle! Every year, it is a great success for the raffle winners, the councils which earn money that they can give to charitable causes, and for those who are the State grant recipients each year! Here are some messages to specific people in your councils: **Charity Raffle Chairman:** If you need more tickets, please call your DD or your Diocesan Coordinator who is listed in the State Directory on page 6:

If you need more large posters, either download them from the state web site (forms) or write to [Mark.Kohls@att.net](mailto:Mark.Kohls@att.net) or 920-639-4991. Turn in money and stubs to your Diocesan Charity Coordinator, not the state office. **Grant Knights:** At your next meeting, please encourage your members to sell tickets until the Convention so that the council and the state can continue to give money to charitable causes. **Knights:** Thank you for selling raffle tickets! Last year over \$450,000 went to charitable causes. Only your work will allow us all to repeat this.

*-Mark Kohls, WI Charity Committee Director.*

The Wisconsin Knights of Columbus, Helping Individuals with Intellectual Disabilities Committee (Tootsie Roll Program) recently held their annual meeting where they distributed \$154,000 to groups from around the State of Wisconsin who assist those with Intellectual Disabilities. The State ID Committee donates \$2,500 to each Bishop in the state to be used for a special project within their diocese which falls under 'Helping People with Intellectual Disabilities' heading. The remaining \$141,931.87 was distributed in January to groups who applied for the funds. In the fall of 2017, 56 groups applied for State Funds and those 56 groups requested \$343,098.20 in funding from the ID Committee. The Committee fully or partially funded 41 of those groups. A full list of the grants approved can be found on the State Website, under the Forms Heading.

The committee wants to thank everyone who donated to the program in 2017, which allowed local councils to distribute \$492,000 from the drive to their local communities in September of 2017 and the State Committee to distribute the balance of \$154,000.

Members of the Wisconsin Knights of Columbus, Helping Individuals with Intellectual Disabilities Committee are Left-Right: Bob Peters-Green Bay (Oneida), Jim Vogt-Madison (Oregon), Pat Becker-Superior (New Richmond), Chuck Simmons-Consultant (Eastman), Mark Jelinek-Director (Richland Center), Greg Sutton-La Crosse (Onalaska). ## Our Marriage Prayer

Worthy Brother Knights!

I want to thank all the councils that held an Our Marriage Prayer event this month! If your council didn't celebrate it on the February 10/11 weekend, don't be afraid to celebrate it on a different weekend. The important thing is to get the Our Marriage Prayer into the hands of married couples in your parishes. It is impossible to know which marriages are starting to fail and the Our Marriage Prayer may be just what they need to keep their marriage going.

Be sure to document your event in your council's history books.

I would be extremely grateful for any feedback you can share on the event. Any advice on what worked well and what can be improved will help provide direction on how to celebrate it next year!

Wow, what a month January turned out to be! After writing the January newsletter, 8,000 more cards were sent out with surprise orders from Texas and Pennsylvania. I even had a 1,000-card order for the standard version of the prayer cards from a Protestant church in North Carolina. Over 21,000 cards were distributed since September. That is a lot of marriages getting protected by God's hands. Awesome!

The new Spanish version of the cards are in and will be made available on Amazon by the time you read this. Thank you, Father Londoño from St. Anthony's in Milwaukee, for helping with the translation! Here is what the cards look like:

 <p><i>Nuestra Oración Matrimonial</i></p> <p>Señor, ayúdanos a recordar siempre el instante que nos conocimos y el fuerte amor que creció entre nosotros con el pasar de los días, luchando por este amor en lo práctico de nuestras vidas sin que nada ni nadie nos pueda separar. Pedimos Señor que nuestras palabras sean siempre llenas de respeto y cariño, con corazones siempre dispuestos para pedir perdón, y para saber perdonar. Querido Señor, Ponemos pues, nuestro matrimonio en Tus manos. Amén</p>  <p><i>Encima</i></p>	<p><i>Para qué orar?</i> Rezar juntos diariamente la "Oración de Nuestro Matrimonio," nos recordará sutilmente las herramientas que debemos tomar para mantener fuerte nuestro matrimonio.</p> <p><i>Cómo Orar?</i> Usted caballero, una sus manos a las de su esposa y hagan juntos la "Oración de Nuestro Matrimonio". Si tienen hijos, oren frente a ellos para que ellos aprendan de ustedes y más adelante cuando ellos se casen puedan hacer lo mismo, pasando esta hermosa tradición por generaciones.</p> <p><i>Recuerden...</i> ¡El matrimonio que más valoramos, más que el nuestro, será el matrimonio de nuestros hijos y nietos!</p> <p><a href="http://www.OurMarriagePrayer.com">www.OurMarriagePrayer.com</a></p>
---	---

I am dedicating 2018 to getting the Our Marriage Prayer cards translated into many more languages to serve all Christian couples. Let me know what languages your parishes need, and I will put them on the list. The Green Bay diocese suggested to translate it into Hmong. Let me know.

I will have a table at the Esto Vir 2018 conference on March 3rd and will have more prayer cards there if anyone wants to restock for next year. Due to not having to pay shipping and other fees, I can sell them at a reduced price. I will also be able to take credit card payments if that is more convenient.

Remember gentlemen, pray the Our Marriage Prayer with your beautiful bride every night in front of your children!

Vivat Jesus!

USA SPECIAL OLYMPIC GAMES

July 1-6, 2018

Seattle, Washington

We have ONE more year to raise nearly \$26,000 MORE Dollars to help our ;  
Wisconsin Special Athletes to the USA games in Seattle.

This would complete our \$100,000 voluntary 4 year commitment to Wisconsin Special Olympic Athletes for Team 2018.

The financial commitment is only 75 cents for each Wisconsin K of C member per year.

That investment buys more than transportation to Seattle.

It includes eye, ear, dental and health screenings for more than 500 Wisconsin Special Olympic Athletes.

As KC's and Christians, we are committed to support those around us who are most in need.

If you have a local chapter to donate to, we encourage that first.

If you do not have a local chapter, please consider donating to help send our Wisconsin athletes to Seattle.

If you can't afford 75 cents per member, then send us \$1.00 per member.

**IT IS MONEY WELL SPENT!!**

**Your reward will be eternal!!**

All donations should be run through the Knights of Columbus Charity account,(501)(c)(3).

Checks should be made out to "Wisconsin K of C Charities, and mailed to;
